

$$\begin{array}{r} 447 \\ +629 \\ \hline 1076 \end{array}$$

1 0	6	1 6
--------	---	--------

The diagram illustrates the addition of 447 and 629. The result 1076 is shown with four colored underlines: blue for the thousands place (1), purple for the hundreds place (0), green for the tens place (7), and orange for the units place (6). The carry-over process is shown in a table above the result:

1 0	6	1 6
--------	---	--------
